Course in Andrological Endocrinology

On behalf of Danish Andrological Society (DAS), Swedish Andrological Society (SAF), and the research collaboration "ReproUnion" the Department of Growth and Reproduction, Rigshospitalet, holds a postgraduate course in Andrological Endocrinology.

The course will take place:

June 7-9, 2023

Edvard Thomsens Vej 10,

DK-2300 Copenhagen, Denmark

Room "Front Stage"

Target group:

Clinicians (endocrinologists, urologists, andrologists, paediatricians, gynaecologists, general practitioners) and researchers with interest in Andrology.

Curriculum:

2½ days course in andrological endocrinology focusing on androgens and their effect as well as indications for replacement therapy. Seminars based on lectures combined with case presentations. Written examination at the end of the course.

Course accreditation:

The course has been approved by European Academy of Andrology (EAA) as an educational course in Clinical Andrology for trainees aiming at an EAA certification. 5 credits can be obtained.

Course coordinators:

Niels Jørgensen, Department of Growth and Reproduction, Copenhagen University Hospital Rigshospitalet, Copenhagen, Denmark.

Mats Holmberg, ANOVA, Centre for Andrology, Sexual medicine and Trans medicine, Karolinska University Hospital, Stockholm, Sweden.

Local organizers:

Niels Jørgensen, Lise Aksglæde and Nina Lerberg Hansen, Department of Growth and Reproduction, Copenhagen University Hospital Rigshospitalet, Copenhagen, Denmark.

Language:

English.

Correspondance:

By e-mail to Danish Andrological Society: DKAndrology@mail.dk

Fee:

Registration before April 15, 2023:

DKK 1,200 (approximately 160 Euros), members of Danish Andrological Society (DAS), Swedish Andrological Society (SAF) or European Academy of Andrology (EAA).

DKK 1,600 (approximately 215 Euros), non-members.

Registration April 15, 2023, or later:

DKK 1,500 (approximately 200 Euros), members of DAS, SAF or EAA.

DKK 2,000 (approximately 270 Euros), non-members.

The fee includes course notes, coffee/tea/water, fruit and sandwich lunches.
